

Young-Adult Fantasy Author Tackles Segregation And Teenage Love

Sarah Elle Emm Brings Us The Harmony Run Series

For Immediate Release

Sacramento, CA – Even today we still experience the effects of segregation, racism and fear. *Prismatic* takes on these tough subjects of hatred and tells the tale of inspiring and heroic teenagers who rise above their struggles. Together they fight to make change, while still trying to live as normal teenagers in a world that is now so unfamiliar. Sarah Elle Emm’s creativity shines through this novel and your only disappointment will be not having the sequel on hand and ready to read.

Opalescent, the sequel to *Prismatic*, and the second book in the *Harmony Run Series* will be available February 2013.

Rare glimpses of birds are the only reminder of the freedoms Rain Hawkins once had. Now segregated into a mixed-race zone within the United Zones of the Authority, under tyrannical rule of President Nicks, Rain is forced to endure the bleak conditions set upon her. The possibility of a way out arises when Rain discovers an organized resistance called The Freedom Front, and learns that she, along with many other multi-racial people, has special abilities. Determined to overcome her situation, Rain sets out on a mission with the resistance that will fill her life with wonder, romance, and the undying hope for a better world.

Prismatic, is a 250 page Young-Adult Fantasy. Available on paperback with a retail price of \$15.99, and eBook with a retail price of \$7.99. The ISBN is: 978-0-9851548-3-7. Published through Winter Goose Publishing and available now through all major online retailers.
