### Switched in Death

By Sherry Foley

Detective Seth Banning searches for one of the most heinous serial killers of all time.

Seth is desperate to find the sadistic murderer who takes his female victims two at a time, and switches their heads. Elaina von Hagan is on the run from the drug trafficking father she has exposed. As she and Seth begin a relationship, she becomes a target for the serial killer's deranged ritual. The stakes have never been higher for Seth as Elaina is taken, and the stage is set for a gruesome showdown between good and evil.
